Our commitment to you

United Way is a flagship member of Imagine Canada's Ethical Fundraising and Financial Accountability Code. The Code provides donors and the public with criteria to evaluate a charity's financial and fundraising practices. Not only do we align all of our practices to the Code, but in some cases we exceed sector standards. Our early adoption of the Code reflects our history of sector leadership on good governance and will help us to continue to provide the highest possible degree of accountability and transparency to our donors.
