

Step 1. Register

Go to the [StairClimb homepage](#), and select “Register” and then “Sign me Up”

Step 2. Choose how you would like to register

Join an existing team, start a new team or register as an individual. If you choose “Start a New Team” please **create your team using your Western Department in your team name**. This ensures the dollars your team raises are properly attributed to your department and not Western’s overall campaign.
